### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

The abstract is amended to read:

-- Disclosed is a method and apparatus for work sharing and communicating in a service oriented industry. A web site system that includes a communication component and a data storage component allows users to electronically input data. The method and apparatus then electronically store the inputted data in the storage component, automatically determine to which other related portions of the web site system the data will be sent, and distribute the data to those determined portions. There, the data is stored in the data storage component, and a communication is sent the users of the relevant portions of the web site to notify them of the newly stored data. --.

3. Pursuant to MPEP 606.01, the title has been changed to read:

-- WORK SHARING AND COMMUNICATING IN A WEB SITE SYSTEM --.

Art Unit: 2152

4. The following is an examiner's statement of reasons for allowance: None of the prior art in record taken alone or in combination discloses all the claimed limitations including a method of work sharing and communicating over the internet with a web site system that includes at least a communication component and a data storage component allowing users in professional offices to electronically input data over the internet comprising, electronically storing the data received over the internet in the data storage component of the web site system; automatically determining to which other related portions of the web site system the electronically stored data will be sent; automatically distributing the electronically stored data to the automatically determined other related portions of the web site system; electronically storing the data distributed to the other related portions of the web site system in the data storage component; and automatically communicating over the internet to other relevant users of the newly stored data in the web site system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nabil M. El-Hady whose telephone number is (571) 272-3963. The examiner can normally be reached on 9:00 - 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bunjob Jaroenchonwanit can be reached on (571) 272-3913. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
